Bardia Safari Tour

Tour Overview

Covering the area of 968sq.km, Bardia National Park is the largest park which is situated in western lowland Terai in Nepal. 327 km2 surrounding the Park is the buffer zone. An elephant ride provides a different view of the park as one can go off the main trail, Morning and late afternoon is the ideal time to go on a ride. Karnali River is the suitable home for Gangetic dolphin. Bardia national Park is a majestic place to visit, where flagship Rhino, Tiger and elephant can be viewed in the wilderness site.

Detailed Itinerary

: Program Day 1 :

Arrival in Thakurdwara (Bardia National Park) check in at Resort. After the lunch, village visit.

You will visit the temple area; you will enter in a real typical tharu house and see the local life. You will also visit Bardia National park visitor centre with its crocodile farm. Dinner and O/N in Resort.

: Program Day 2:

Jungle walk (full day) After an early breakfast, you will go on foot in the national park for the day with a naturalist guide and a porter. There are good possibilities to see one horned rhino, wild Asian elephants or Bengal tiger among other animals. Picnic lunch for the day. Once you back to the resort, dinner and local Tharu culture dance program.

: Program Day 3:

After an early cup of tea, you will go on elephant back for a safari (2h30). Elephants are very adapted to go inside the vegetation and give good possibilities to get close to rhinos. Back to resort and Breakfast. Rest before departure and after lunch, departure.

: Program Day 1 :

You will also visit Bardia National park visitor centre with its crocodile farm. Dinner and O/N in Resort.

Day 2: Program Day 2:

Jungle walk (full day) After an early breakfast, we go on foot in the national park for the day with a naturalist guide and a porter. There are good possibilities to see one horned rhino, wild asian elephants or Bengal tiger among other animals. Picnic lunch for the day. Back to the resort, dinner and O/N in Resort.

: Program Day 3:

After breakfast, we drive one hour to Chisapani, over the Karnali Bridge. Then we begin the floating safari (on raft). There are no big rapids on the river and this excursion offers good opportunities for magnificent landscapes and birdlife among other animals. Once in a while we stop the raft for small walks in wildlife prone areas. Picnic lunch for the day. Back to the resort, dinner and local Tharu culture dance program. O/N in Resort.

: Program Day 4:

After an early cup of tea, you will go on elephant back for a safari (2h30). Elephants are very adapted to go inside the vegetation and give good possibilities to get close to rhinos. Back to resort and Breakfast. Rest before departure and after lunch, departure.
