Everest Expedition

Tour Overview

Join us to climb the tallest peak in the world, Everest (8848.86m) since 1953 mountaineers have been summiting on the top, and dreams of reality came in. Hundreds of Sherpas, mountaineers from worldwide, researchers, and alpinists have recorded getting triumphs in conquering this peak.

Ever since the highest peak in the world was recognized, the mountain has fascinated and drawn climbers from around the world. Mt. Everest was named given by the geologist surveyor General George Everest, Tibetan and Sherpa named it Chhomolungma and Nepalese named it Sagarmatha.

Mt. Everest lies in the Khumbu region within the Sagarmatha National Park of Nepal. Tenzing Norgay and Sir Edmund Hillary stood triumphantly atop the highest mountain in the world.

Nepal's most popular trek becomes the Everest Base camp route, every season of the year hundreds of people are travelling here from around the world. You are not only climbing but also experiencing the different cultures people and their greetings. Many records have been broken and set the new. In the past years Asian Expedition Pvt.Ltd fully organized and hosted many expeditions. Some have succeeded and some have terminated. Our Experienced

Sherpa has given you total support from the beginning to the summit and to the end of expeditions.
