### Tent Peak(5663m) Climbing

#### Tour Overview

---

**Peak Tent**(5663m) lies north from Pokhara with excellent view of whole Annapurna and Machhapuchre mountains. This Peak also known as **Tharpu Chuli** peak, offers the short trekking peak climbing experience - way beyond simply trekking. There are some steep and ridge climbing sections that make this climb very interesting. The view from the summit of Tent Peak is arguably one of the best Himalayan vistas. The wild and stunning Annapurna Sanctuary offers the spectacular panorama of many 7000 and 8000 meters awesome Himalayan peaks. For this climbing, you have to know the knowledge of climbing like Rock, sailing the ropes, using the harness and crampons. Also a hard exercise and a good shaped is required.
